In declaring the meeting open Richard welcomed everyone along and extended a special welcome.

Congratulations to everyone in the Welsh Public Speaking day held at Hermon especially to Hermon YFC who won the overall Welsh Public Speaking.

The Horse Racing night held by Alice James and her attendants went really well and a fantastic £3000 has been raised for Pembrokeshire YFC.

Thank you to everyone who came and supported show president Dennis Rees with his recent quiz night, it was a great night and it was lovely to see so many teams representing clubs and county.

Eisteddfod Ddwl in conjunction with Menter Iaith Sir Benfro was a successful night with members from clubs having fun. For the 7th year in a row Hermon were the winners.

Congratulations to everyone who represented the County at the recent Wales YFC Public Speaking Day. The Welsh language speakers secured 2nd place and English Language speakers won the overall competition. Thank you to all trainers and helpers.

We are extremely grateful to the James family at Gelli Olau for hosting this year's field day. It was a fantastic turnout with a good number of entries. Congratulations to Eglwysrwrw who were named the overall winners and to Nerys Roberts on being announced county Queen and Angharad Edwards, Carys Griffiths, Ffion Phillips and Marged Simons on being announced as her attendants. Shon Rees was announced as the first Male Ambassador for Pembrokeshire.

Wales YFC held their Field Day on Saturday 23rd April at Monmouth Livestock Centre, hosted by Gwent YFC. Richard congratulated all the members who travelled to compete especially The Efficiency with Safety who were 1st the ATV Challenge coming 3rd, Charles George on coming 3rd in the senior stockjudge and Rhys James for coming 2nd in the Junior Stockjudging and the Mock Auction Team on coming 2nd.

Richard then asked if Mr Arwel Jones Vice chairman of Wales YFC would like to present the cup to the Llysyfran Efficiency with Safety Team.

Arwel Jones thanked Richard for the welcome and apologised on behalf of Wales YFC for the results of the Efficiency with Safety not being released on the day of Field Day and therefore for the delay in presenting the cup. He noted however that there had been an increase in the numbers of teams competing and he felt this was a very important step forward in what he believed to be a very important yfc competition.

Richard thanked Arwel again and invited him to stay for the duration of the meeting. He also congratulated the Lllysyfran Team and wished them the best of luck in the competitions day in Stafford on the 2nd July.

2. Matters arising

Landsker Singers

It has been raised that the Landsker singers have a concert on the same day as the English Public speaking day. As many members, past members and supporters are members in the Choir and also help with stewarding it was asked to consider changing the public speaking to the week before. It was also noted that the field day had already clashed with them.

Action: To arrange the Public Speaking day for the 4th December at Pembrokeshire College.

3. Correspondence.

TENDERS

Richard explained that tenders had not been received in the Board of Management for the Rally day catering and it had therefore been agreed to discuss them at this meeting.

LHP WAGES

Richard noted that Cara was currently working alone in the NFU and was finding it difficult to arrange constant dates for payment of wages. She had asked if the county would consider paying LHP to provide the service which would result in prompt and consistent pay dates for the staff. The cost would be £10 per calendar month. It was agreed that LHP take over the paying of wages.

Wales YFC Field Day

Llysyfran Club Chairman wished to express their disappointment at the way announcement of results were handled at the Wales Field Day. Caryl Warlow noted that she appreciated Arwel Jones Wales Vice Chairman making the effort to attend the meeting to present the cup but she noted that the results had been promised on the Saturday night. Caryl expressed concerns that the Gwent federations were aware of the result and knew that they had placed second. After being told that the results would be published on Saturday night Lllysyfran members and friends had patiently waited for results only to find that no results were posted.

Arwel Jones Wales YFC Vice Chairman responded noting that the scorers usually are asked to stay for an extra hour after the results have been announced but unfortunately on this occasion the scorer had to leave due to the lateness of the competition finishing. Arwel noted that therefore No scores had been totalled. He also noted that it was gone 7pm when everything finished and he was not prepared to keep staff who had already been working all day there for longer than necessary.

Caryl Warlow recognised that it was late on the day but noted that a note on social media explaining this would have been appreciated. Caryl Warlow said that members were frustrated by not being able to find the promised results and as a last resort had contacted a Wales Officer to try and get information. Again no-one from Wales communicated any messages to the club. Arwel responded by explaining that both he and Vicky were aware that the field day had overrun quite considerably and by 7pm had taken the decision to sign off all Wales officers and staff. He noted that he did not feel it was fair for staff or officers to be contacted later in the evening and that any issues should have been directed to the proper channels. Arwel also said that it was a really positive to have an increase in the numbers competing in the efficiency with safety and that it was a very important competition for Young Farmers. Caryl Warlow expressed their disappointment again after a member was contacted directly by the competition chair. Caryl said that surely if they as a club cannot contact a Wales Officer then a Wales Officer should not have been able to contact a member directly. Caryl asked what the proper channels were. Arwel said he would discuss this with Vicky and a procedure would be put in place on how to contact Wales following an event and how Wales should contact members or clubs.

A discussion on contacting members directly followed and it was agreed that members should not be contacted directly.

Dill Williams, County president noted that she had attended the Wales Field day and noted that the machinery for the efficiency with safety was late arriving meaning the competition was late starting and she herself had been told on two occasions that the results would be announced that evening.

A discussion followed and it was agreed that a letter would be sent from Pembrokeshire YFC to the Competitions steering group to be discussed at the next meeting in June.

Richard also noted that he felt that rules for competitions need to be left alone once they have been announced as changes are difficult for counties to track and are sometimes amended too late for changes to be made.

Richard thanked Arwel for his time and for answering some of the questions.

8. To confirm date of next meeting **Wednesday, 22nd June 2016 at 8.00p.m.**
